U GOT THIS!

Catharsis Productions

ONLINE TITLE IX VIOLENCE PREVENTION TRAINING FOR COLLEGE STUDENTS

U GOT THIS!

Prevention education with an emphasis on students as upstanders

You Got This! is an engaging conversation about bystander intervention, consent, healthy relationships, sexual harassment, sexual assault, dating violence, domestic violence, and stalking.

Catharsis Productions

IT'S AN INTERACTIVE DIALOGUE, NOT PRESS "PLAY" AND WALK AWAY

U Got This! reimagines how students engage with Title IX training. We've infused our signature tone and humor to create an experience where students converse with their program host on a continual basis. The program's interactive conversational approach reflects the way the student engages with it. If a student gives a snarky answer to a question posed, they'll get a snarky response. The program uniquely adjusts to each student. With other Title IX programs, the learner can simply hit "play" and disengage while the program plays on.
